

ALEX MAWUNYA TAGBOR

Virtual Assistant | Administrative & Data Support

Phone: +233 544 720 959

Email: atagbor@yahoo.com

Portfolio: <https://amtagbor.netlify.app>

PROFESSIONAL SUMMARY

Detail-oriented Virtual Assistant with hands-on experience providing administrative, data entry, document, email, research, and digital support. Skilled in maintaining records, organising data, preparing professional documents and presentations, managing correspondence, taking meeting minutes, and developing systems that improve routine administrative tasks. Proficient in Microsoft Office and Google Workspace, with additional skills in web development and computer troubleshooting. Certified in Virtual Assistance through ALX Africa; reliable, organised, and committed to delivering accurate work on time.

PROFESSIONAL EXPERIENCE

BOSOMTWE STEM ACADEMY, JACHIE

Lead for Ghana - Associate | Mathematics & Computing Teacher / Administrative Support

Oct. 2024 - July 2026

- Maintained weekly and termly attendance and academic records using Google Sheets, ensuring accurate and organised data for reporting and performance tracking.
- Provided administrative support as school secretary by preparing meeting minutes and maintaining updated enrolment, staff, and infrastructure records.
- Developed an automated student report-card system that streamlined report generation, reduced repetitive administrative work, and improved the organisation of learner performance data.
- Prepared professional and well-organised PowerPoint presentations and digital materials for lessons and academic activities.

FREELANCE ADMINISTRATIVE & DIGITAL SUPPORT

Peki College of Education | Jan. 2021 - Nov. 2023

- Researched, prepared, typed, edited, and professionally formatted lecturers' notes, handouts, and academic documents.
- Assisted lecturers with entering and organising research survey data in SPSS.
- Designed PowerPoint presentations for lecturers, students, and academic presentations.
- Provided email and correspondence support to a lecturer, helping manage routine communications.

ALEX MAWUNYA TAGBOR

ICT & Mathematics Teacher | NTC Licensed Teacher

Phone No: +233 544 720 959

Email: atagbor@yahoo.com

Portfolio: <https://amtagbor.netlify.app>

PROFESSIONAL SUMMARY

B.Ed. ICT and Mathematics teacher and NTC-licensed teacher with practical experience teaching Mathematics and Computing across basic and secondary school settings. Skilled in learner-centred instruction, assessment, classroom management, digital literacy, and integrating technology into teaching and school processes. Demonstrated leadership through establishing a robotics club, organising supplementary computing classes, mentoring learners, and developing an automated student report-card system.

EDUCATION

Bachelor of Education (JSS Specialism) - Mathematics & Information and Communication Technology
Peki College of Education, Peki | October 2019 - November 2023

WORK EXPERIENCE

Lead for Ghana - Associate

Assigned to Bosomtwe STEM Academy, Jachie

Mathematics & Computing Teacher | Oct. 2024 - July 2026

- Introduced an award system to reinforce discipline, hard work, positive learning attitudes, and academic effort.
- Established and coordinated a robotics club to promote hands-on learning, creativity, problem-solving, teamwork, and innovation among learners.
- Developed an automated student report-card system that streamlined report generation and supported more efficient analysis of learner performance.

South Dayi District Office - Yamoransa Model Lab 6, Peki Avetile

Computing Teacher and Lab Assistant | March 2024 - February 2025

National Service

- Spearheaded a fundraising effort to support learners in developing a smart city and hydroponics project, which placed second runner-up in an ICT/Robotics competition.
- Organised free computing classes for students in the Peki township during school vacations, providing additional opportunities for learners to develop digital skills.

Labolabo D/A Basic School

Mathematics and Computing Teacher | January 2023 - May 2023

Teaching Intern

- Identified and mentored technology-driven learners by connecting them to Yamoransa Model Lab 6, expanding their access to ICT and robotics opportunities.
- Led a fundraising initiative to purchase and install a white marker board and graph board for the Basic 8 classroom, improving the resources available for Mathematics instruction.

VOLUNTEER ACTIVITIES

President || Association of Math & I.T. Students

Peki College of Education | August 2022 - October 2023

- Led the drafting of the constitution and launch of the association.
- Organised educational programs on information security for the college community.
